

USDA Compliant for Food Contact Surfaces

Quality... we put our name on it! Since 1938

LETTER OF GUARANTY

DAMON INDUSTRIES, INC.

To Whom it May Concern:

This letter certifies that Da-Clean™ A.P.C. Cleaner is formulated consistent with the USDA *Guidelines for Obtaining Authorization of compounds to be used in Meat and Poultry Plants*. As such Da-Clean™ A.P.C. Cleaner is considered suitable for use in federally inspected meat and poultry plants if used in a manner consistent with the label directions (please see attached product label and material safety data sheet). Used in this manner, Da-Clean™ A.P.C. Cleaner will not adulterate food product or create unsanitary conditions.

Da-Clean™ A.P.C. Cleaner is intended for general cleaning of pots, pans, utensils and other environmental surfaces that generally come into contact with food product. Before using Da-Clean™ A.P.C. Cleaner in food processing areas, food products and packaging materials must be removed from the room or carefully protected. After using Da-Clean™ A.P.C. Cleaner all surfaces must be thoroughly rinsed with potable water and sanitized.

Sincerely,

DAMON INDUSTRIES, INC.
