Description

This product is one of the most unique disinfectants and deodorants of its kind. The blending of a phenol and a quaternary ammonium chloride allows this product to be classified as germicidal, fungicidal, staphylocidal, virucidal, tuberculocidal, pseudomonacidal. Kills HIV-1 (AIDS virus), TB, influenza A2 England Virus and Herpes Simplex Virus I and II on environmental hard surfaces. In addition, it is very effective to control mold and mildew on hard, non-porous surfaces. Excellent for hospital use. Outstanding lemon citrus scent.
