

QUALITY FLOOR BRUSHES

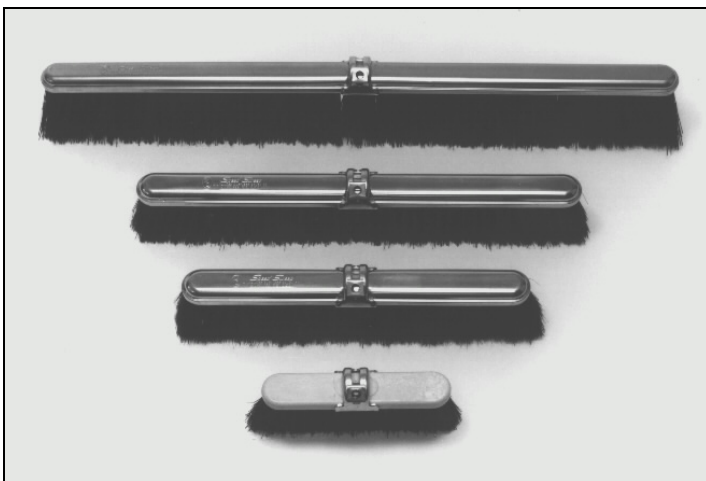

MILWAUKEE DUSTLESS FLOOR BRUSHES

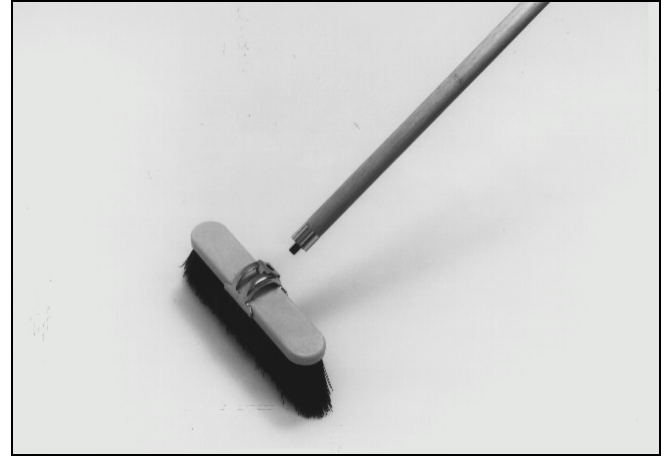

- A.** Polypropylene bristles give outstanding value for rough, average and smooth sweeping conditions. It has tremendous abrasion and fatigue resistance, outlasting natural fibers 10 to 1. Polypropylene is not harmed by grease, alkalis, acids, gasoline or solvents.
- B.** The steel back is crimped over a polypropylene block, preventing warping, cracking and splitting.
- C.** The unique handle design gives the strength of steel at the base of the handle and the grip and safety of hardwood where the user touches it. Order handle No. 191000.
- D.** An adjustable handle socket is permanently riveted through the steel back. The socket allows for easy handle reversal.

ALL PURPOSE – Stiff center tufts move heavy debris. Fine poly border gets the light dust and dirt. Sweeps well on a variety of surfaces. 3" trim.

MILWAUKEE DUSTLESS FLOOR BRUSHES

No. 403151 – 9"

SMOOTH SURFACES – A blend of straight and crimped polypropylene gets the light dust and dirt on terrazzo, tile, linoleum, painted or waxed wood. 3" trim.

233140 14" **233180** 18" **233300** 30"
233160 16" **233240** 24" **233360** 36"

AVERAGE SURFACES – Medium-stiff polypropylene designed for wood, concrete and composition floors. Practical for shop use because chips and lathe turnings will not mat or pack into tufts. 3 1/4" trim.

231140 14" **231180** 18"
231240 24" **231360** 36"

No. 403151 – 9" upright broom with handle adjuster for use as shop broom or compact push broom. Excellent for sweeping areas too restricted for ordinary brooms, such as buses and under benches and pews.

ROUGH SURFACES – Extra-stiff polypropylene with spring and snap to sweep heavy debris. For use on cement, concrete, asphalt and greasy floors. 4" trim.

230180 18" **230240** 24" **230360** 36"

#385240 HYGIENIC FLOOR BRUSH

Excellent in food processing and meat departments. White polypropylene block filled with white medium polyester fiber that will withstand chemical use and will retain stiffness. Comes with a 60" fiberglass handle.
