- **BAG** — Heavy duty top-fill cloth dust bag.
- **WEIGHT** — 18 pounds.
- **CORD** — 50' length.

SSS AIR BLOWER

This blower reduces the drying time of carpets after shampooing or extracting by 25% to 50%. Dries hard floors after scrubbing, waxing or finishing. It also works for drying wet basements, flooded areas, fresh paint and concrete sealer. It aids in ventilating heat, fumes, smoke, etc. It moves up to 2000 cubic feet of air per minute. It has a quiet running, powerful three-speed motor. 1/3 hp motor with a 25 foot cord. Warranty 10 years on housing, 1 year on all other parts. Units stack for easy storage.

SSS PRO SENSE 12 AND 15

An easy to use “smart” vacuuming system. Automatically adjusts the brush height for optimum cleaning action on all carpets and hard floors. Lightweight, quiet and easy to use. On board hose and tools for above floor cleaning, extension wand with easy grip handle, crevice tool and upholstery brush. Less operator fatigue. High performance, 2 stage, 1.14 hp motor with 94 CFM air flow. Weighs only 18 pounds with 1.5 pound handle weight. 40 foot cord. 99% filtration at 0.3 micron to improve indoor air quality. 12 and 15 inch models.
