TILT TRUCKS

Industrial plants, commercial buildings, and institutional operations can all turn material refuse or bulk food handling into one-man operations with Rubbermaid's variety of Tilt Trucks. Available in 300 lb. to 2,300 lb. capacity.

TWO COMPARTMENT BUCKET #2617

Two heavy duty polyethylene buckets in one. Carry tools and solutions together or use one side for cleaner and the other for sanitizer/disinfectant or rinse. Easy-to-read graduations. Total capacity of seventeen quarts.

BRUTE BUCKET

Brute strength in 14 & 10 qt. capacities. Clear measuring graduations molded into side of bucket. Controlled pouring spout. Heavy duty bail and chine bottom for secure pouring grip. Available in Grey or Red.

FLOOR SQUEEGEES

Sturdy steel socket with neoprene rubber blade. Blade is easily replaceable. Available in 18", 24", 30", or 36" lengths and either straight or curved.

CAUTION / WET FLOOR SIGNS

Work areas need to be clearly defined when mopping floors, cleaning restrooms or performing maintenance. Our floor signs get your message across accurately and boldly. Instructions are available in both Spanish and English
