

FURNITURE & METAL CLEANERS/POLISHES

COPPER & BRASS CLEANER, 3M BRAND – Helps keep metal tarnish-free longer, even on the bottoms of pans. The smooth, fresh smelling lotion is easy to apply, yet removes most tarnish almost instantly. No abrasives. Packaged 12 - 10 oz. bottles per case.

CREAMY LEMON WAX FURNITURE POLISH, SSS – A unique, superior cleaner-polish formulated with a balanced blend of carnauba wax, lemon oil and cleaning agents. Clean, dust and polish in one operation. Removes old wax and soil residue while leaving a deep, rich gloss. The thick emulsion fills in minor nicks and scratches leaving a beautiful gloss and refreshing lemon fragrance. Packaged 12 - 18 oz. cans per case.

DEMARKABLE – Brings out the natural beauty of wood, through cleaning and preserving the finish, leaving a pleasant lemon scent behind. The highly refined mineral oils help soften and remove old waxes and dirt while covering minor scratches. Can restore the beauty of neglected wood. Excellent for use on furniture, wood paneling, wood trim, and doors. Contains no silicones to leave unwanted residue which can prevent future refinishing. Packaged 12 quarts per case.

LEMON OIL FURNITURE POLISH, SSS – A furniture polish formulated with silicone and lemon oil. Wipes immediately to a clean, bright shine and a dust-free protective surface. May be used on metal, plastic, vinyl, wood, Formica®, enamel surfaces, porcelain and ceramic tile. Removes marks, smudges, grease and stains quickly and easily. Packaged 12 - 18 oz. aerosols per case.

LEMON SPRAY WAX POLISH, SSS – A special blend of silicone and lemon oil. This is the ideal polish-cleaner for use on Formica®, metal, plastic and vinyl furniture. Also protects and polishes ceramic, porcelain, wood and enamel surfaces. Leaves a clean, mirror-like protective surface which resists finger smudges. Packaged 12 - 18 oz. aerosols per case.

METAL CLEANER AND POLISH, SSS – This special blend of cleaners and polish oils is ideal for use on satin or high gloss metal surfaces. It does not contain any harmful abrasives to mar surfaces. It leaves a high gloss and protective shield which retards re-soiling and tarnishing of stainless steel and other decorative metals. Packaged 12 - 15 oz. aerosols per case.

SSSHINE – A lemon-scented high gloss, spray on, wipe off cleaner and polish. Packaged in quart bottles with a squirt cap. May also be sprayed with a trigger sprayer. The blend of silicones, detergents and lemon oil removes old waxy build-ups and cleans, polishes and protects fine furniture, woodwork, plastics, vinyl, Formica®, leather and metal. Non-greasy, resists fingerprints and smudging. Packed 12 quarts per case.

ALUMINUM CLEANER – A liquid acid concentrate which is diluted with water to clean and renew oxidized aluminum surfaces. Packaged 4 – 1 gallon per case and 55 gal. drums.

COIL CLEANER, DACO® – An acid cleaner for all types of aluminum air conditioning coils. Merely spray on and rinse off. Hundreds of dollars in energy can be saved by a single cleaning job. Packed 4 – 1 gallon per case.
